

# The Koziol News

Wishing You the Very Best of Holidays and the Happiest New Year!

## KOZI HOME RENNOVATION

### Bliss, New York

The Koziol family home got a much needed makeover this summer. The facelift included replacement of the old and likely original windows that were very drafty. The paint scheme of brown and yellow was replaced with new siding. The new colors were dark blue with white highlights that really seem to make the whole home a lot more blissful!

The exterior wasn't the only thing that changed. The home renovation project included a small addition to the second floor. The exterior of this space is complete but Nick is still working on the final touches on the inside including lighting, walls and flooring. Once completed, this new space will have multiple uses including an at home office space, library/game area, and it also provides indoor access to the second floor storage.

# HAPPY HOLIDAYS FROM THE KOZIOL FAMILY

## Christmas Photos From 2022

### Two More Kozi Kittens

Skittles and Shadow joined the family, rising the Koziol Kitten Pride to six this year. Skittles is a sweet blue-eyed siamese lap cat & her bro, Shadow, is a charcoal bag of mischievous energy ready to dart in every direction.

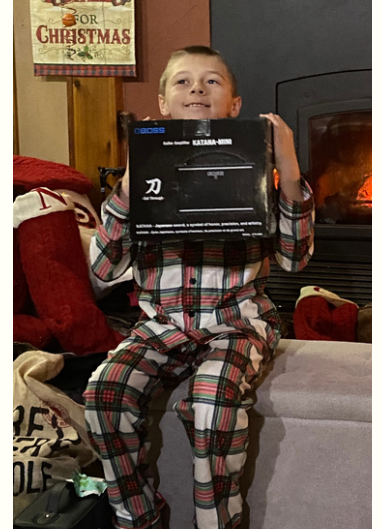

### Panthers Senior Night

Maddie finished up a brilliant field hockey career this year. She was honored by the team on Senior Night. Maddie was a tenacious defensive player starting every game this year. A two-time rookie of the year and past recipient of the defensive MVP, Pioneer will have big shoes to fill next year.

### Twins Middle Schoolers

Colton and Callum have moved up into middle school! Leaving Arcade bittersweet as they no longer just walk down to Mom's classroom. Both have adjusted really well and still help mom's kindergartner class out after school.

# SOME NEW EXPERIENCES IN 2023

## **Maddie College Journey and Acceptance to SUNY Fredonia**

Maddie is preparing for college this year. During Pioneer Senior Achievement night she was one of a select group of Juniors invited. She was offered a \$40,000 a year scholarship to St. Bonaventure and a yearly scholarship award to Keuka College. Maddie visited Fredonia, St. Bonaventure and SUNY Geneseo. She has been accepted to SUNY Fredonia and St. Bonaventure. She is waiting to hear back from SUNY Geneseo and SUNY Cortland.

## **Genevieve Now In the High School With Eyes on Geneseo**

Genevieve has entered high school this year. We now have both Koziol sisters in the same school. G has also moved up to the JV field hockey team and is back in the musical cast for "All Shook Up". Genevieve also has the advantage of going along with Maddie on college visits. She loved the SUNY Geneseo campus. It has beautiful buildings, a great student life, a division III field hockey team and an early childhood program. All things that would be great for G! Genevieve has put Geneseo high on her college list.

## **Callum Adds the French Horn to His Musical Repertoire**

Callum followed his big sister and took the French Horn as his instrument in band. He was so excited when they handed out instruments because he got Genevieve's old horn to take home. He came home and proudly showed the tape with her name on it. Callum was so excited he practiced non-stop the first week. In general, Callum works really hard at music and continues to take music lessons and practice playing his guitar.

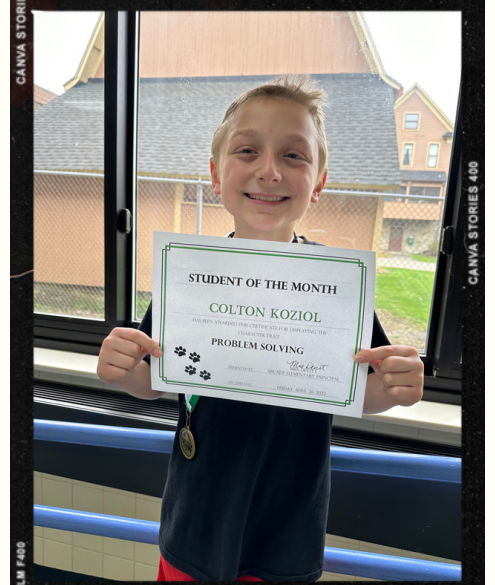

## **Colton Is Keeping Busy By Getting Involved In Everything**

Colton has a lot of interests and pours his heart into all things he does. He enjoys being a forward in hockey and scoring goals. He also likes reading, cooking, and of course playing video games. Colton this year said that he wants to go the Culinary Institute of America to become a chef. Right now he creates his own custom meals in our kitchen. However, perhaps his greatest love is for his cat Sweets. They are inseparable and share such an amazing bond.
